Trip Contract Apply

Trip Contract Information

Contract Name

test contract 2

Contract Body

Shipper and Carrier hereby agree that the following base terms and conditions shall apply with respect to the shipment to which this trip contract pertains.

a. Carrier represents and warrants that it is duly and legally qualified to provide the transportation services contemplated herein, and has minimum levels of liability and cargo insurance coverage as required by applicable federal or state law.

b. Any bill of lading, manifest, delivery receipt, tariff or other shipping document shall be subject and subordinate to the terms and conditions contained in this Trip Contract.

c. Carrier's liability for any cargo loss or damage claim shall be as set forth in the Carmack Amendment (49 U.S.C. *14706) and all claims shall be administered pursuant to 49 C.F.R. Part 370.

d. Unless a value for the shipment is set forth in the CarrierPoint shipment information supplied by the shipper or on the individual bill of lading, the parties agree that the Carrier's liability for any cargo loss or damage shall be released at the amount set forth in Carrier's rates, rules and classifications, which will be made available to Shipper upon its request.

e. Payment of the rates and charges set forth above shall be made to Carrier within thirty (30) days of the date of invoice by Carrier.

f. These terms and conditions are subject and subordinate to any written contract or agreement executed or to be executed between Shipper and Carrier.
